MEMORANDUM FOR: CHIEF, FINANCE DIVISION

SUBJECT: Accounting [REDACTED]

25X1A

1. Attached are accountings listed above for advances to [REDACTED] in connection with an undertaking financed by this Agency at the request of the Departments of Defense and State and the Joint Chiefs of Staff. There was joint approval that this activity should be personally monitored by Mr. [REDACTED] because of his known competence in this field. Mr. [REDACTED] was not then and is not now an employee of this Agency.

2. This activity was initiated prior to present project procedures which, coupled with the interest of other agencies, resulted in the funds having been expended with less documentation than is normally expected in present day projects. It was specifically understood with [REDACTED] at the time the funds were made available to him that under no circumstances was the interest of this Agency or the U. S. Government to be disclosed.

3. Under these conditions, [REDACTED] has presented reasonable itemization of the purposes for which the funds were spent. Highly satisfactory results of the project to date also constitute adequate evidence of expenditures.

4. In consideration of the circumstances under which this project was undertaken and conducted, the attached receipts and itemization of purpose of expenditures constitutes satisfactory final accounting from the standpoint of this Office for the funds advanced to [REDACTED] and are accordingly approved and submitted for certification in the amount of [REDACTED]
